— CHRISTIAN ACADEMY —

Supplies for Junior and Senior Kindergarten

Backpack:

- It should be big enough to hold artwork, shoes, lunch bag, spare clothes, etc. Play backpacks are cute but cannot carry all that your child will bring home each day.

Lunch bag:

- Please use containers that are easy for children to open independently. Optional: label your children's morning/afternoon snacks and the lunch items.

Shoes (two pairs):

- The indoor shoes should have Velcro openings and be appropriate for running and gym activities, and they remain at the school. Children also need an outdoor pair of shoes that they can put on by themselves. No flip-flops or laces please.

Extra clothes:

- Please send a large Ziploc bag that is clearly labelled and holds a spare outfit with underwear, socks, pants and a shirt. Feel free to alternate clothes throughout the year as your child grows and/or as the weather changes.

Box of Kleenex:

- This helps stock our classroom.

Reusable, spill-proof water bottle:

- Your child can fill their bottle regularly. No disposable water bottles please as we teach recycling, reusing and reducing as a principal of the stewardship God gave us for the world around us. We also encourage you to send reusable containers and utensils to reduce the garbage we throw out each day.

Extra things our classroom always needs:

- We always appreciate items for creative exploration. For example, buttons, bubble wrap, paper towel rolls, and any other neat materials you may find. Please feel free to send these in whenever you're doing a clean out.
